

Welcome to the Bunny Spa

INTRODUCTION: Thank you for entrusting your rabbit's grooming and nail trimming to a Rabbit Advocates volunteer. Every effort will be made to handle your rabbit carefully. If your rabbit appears uncomfortable or overly stressed, we will stop the procedure. We will not perform grooming or nail trimming on rabbits that have health issues, including infections, infestations, or injuries.

WAIVER OF LIABILITY (READ CAREFULLY BEFORE SIGNING): I understand and acknowledge that the volunteer caring for my rabbit(s) is not a veterinarian or veterinary assistant. I will hold harmless the volunteer, Rabbit Advocates, and Oregon Bunny Palooza for any injuries or illness, foreseen or unforeseen, to my rabbit or to any humans involved in the procedure, and for any health issues that may arise in my rabbit after the procedure. To the best of my knowledge, my rabbit has no current health issues, including infections, infestations, or injuries.
